

A PLAN FOR THE NEXT FOUR YEARS

- 1** Invest at least another £50m in improving our roads and pavements.
- 2** Continue to prioritise safeguarding of vulnerable children and adults whilst providing care of our elderly who are unable to help themselves.
- 3** Improve people's lives and health, working closely with our local NHS.
- 4** Ensure all our children receive an excellent education.
- 5** Continue to cut overheads, increase income and maintain a balanced budget.

PATRICIA BIRCHLEY

A Local Choice for Chiltern Ridges

Tricia has represented Chiltern Ridges Division of Bucks County Council for almost 12 years and has listened carefully to local residents to action their concerns at County Hall. She holds regular surgeries and attends Parish Council meetings to ensure she is fully briefed on all local issues.

For five years Tricia was the Cabinet Member for Health & Wellbeing with responsibility for 40% of the Council Budget. One of the direct benefits to Chiltern Ridges was the building of the Chesham Opportunities Centre and the new Care home for older people in Cameron Road. She cares passionately about our environment and is currently Chairman of the Rights of Way Committee and a Trustee of the Chiltern Society. She champions local causes in her role as Vice Chairman of Bucks County Council.

Since the announcement of HS2 Tricia has spent the last seven years fighting the project, attending Select Committee meetings in Parliament, talking to Members of Parliament, writing regularly to the Press and working with local action groups to stop it. During the construction phase she would hold HS2 to account on Health & Safety, protection of our unique environment and managing the increase in traffic movements. This would be an absolute priority.

People express concerns about the state of some local roads and Tricia would continue to fight for extra budget to maintain and improve the roads and pavements. Working with the Local Area Technician she would go out on site regularly and be vigilant in ensuring quality repairs to our roads.

Tricia's priorities are:

- ✓ Supporting local residents by raising their concerns with officers at County Hall
- ✓ Continuing to hold HS2 to account during the construction phase
- ✓ Fighting for extra budget to maintain and improve our roads and pavements
- ✓ Working closely with local schools to ensure all our students have the best start in life
- ✓ Protecting our precious environment from future housing developments
